THE EXCELLENCE OF ARTISANAL ROASTING

Fine coffee beans, artisanally roasted, in compostable capsules Nespresso* compatible

Our compostable capsules, tailor-made for hotels represent a sustainable option to offer your guests a high-quality espresso, while reducing environmental impact.

They are **crafted with blends of premium coffees or single-origin varieties and packaged using plant-based, biodegradable materials** to promote eco-friendly practices in the hospitality industry.

CONVENTIONAL BLENDS AND SINGLE-ORIGIN

CLASSICA

COFFEE BLEND | INTENSITY
70% ARABICA | ●●●●○

A blend with a unique aroma, the best Italian espresso, rich, full-bodied sweet. With notes of chocolate and toast, it takes us into the most classic of Italian traditions.

INTENSO

COFFEE BLEND | INTENSITY
50% ARABICA | ●●●●●

A blend with an important aroma, strong notes of toast, fine woods, and cocoa. A structured espresso for intense coffee lovers.

BRASILE ALTA MIOGIANA CERTIFIED

SINGLE ORIGIN | INTENSITY
100% ARABICA | ●●●●○

A single-origin of Arabica quality, sweet, aromatic, fruity. Notes of hazelnuts and caramel give way to hints of fresh fruit.

DEKA

COFFEE BLEND | INTENSITY
70% ARABICA | ●●●●○

All the pleasure of a high-quality Italian espresso, without caffeine. CO₂ caffeine extraction method. Caffeine not exceeding: 0,10%.

IMPATTO ZERO compostable capsules have the **OK COMPOST logo of TUV Austria**, the world's leading company in certification of bioplastics. They are therefore guaranteed 100% biodegradable.

*The Nespresso brand is not owned by Caffè Fantino S.a.s. nor of companies connected to it. Caffè Fantino S.a.s. it is not connected in any way to Nespresso.

ORGANIC BLENDS AND SINGLE-ORIGIN

START

COFFEE BLEND | INTENSITY
ORGANIC | 100% ARABICA | ●●●○○

100% Arabica blend. The various origins of the beans, give a rich and round taste, with notes of fresh fruit and jasmine. IIAC - Gold Medal International Coffee Tasting

NICARAGUA

SINGLE ORIGIN | INTENSITY
ORGANIC | 100% ARABICA | ●●●○○

A coffee grown on high ground, with balanced and soft organoleptic characteristics. Notes of citrus, nuts and chocolate, evolve into a fine and pleasant acidity.

MESSICO

SINGLE ORIGIN | INTENSITY
ORGANIC | 100% ARABICA | ●●●○○

A sweet and aromatic coffee. Its aroma tends to have a good complexity with notes of chocolate, nuts and dried fruit. A moderate and pleasant acidity.

PERÙ

SINGLE ORIGIN | INTENSITY
ORGANIC | 100% ARABICA | ●●●○○

This coffee has a delicate and fruity aroma, with nuances sometimes citrus. A characteristic and pleasant acidity completes the bouquet.

HONDURAS

SINGLE ORIGIN | INTENSITY
ORGANIC | 100% ARABICA | ●●●○○

A coffee rich in nuances, notes of chocolate and caramel, give way to fruity, cherry and citrus.

COLOMBIA

SINGLE ORIGIN | INTENSITY
ORGANIC | 100% ARABICA | ●●●○○

This Colombian coffee, rich and full, offers a variety of notes, from cocoa to caramel, through citrus. An excellent balance between body and acidity.

BIODEKA

COFFEE BLEND | INTENSITY
ORGANIC | 100% ARABICA | ●●●○○

100% Arabica blend, sweet, full-bodied, fruity, with notes of chocolate and toast. The CO₂ decaffeination method used, allows you not to affect the organoleptic qualities of this blend. Caffeine not exceeding: 0,10%.

TAILOR-MADE CAPSULES

Personalizing compostable capsules compatible with Nespresso* with your brand is an excellent strategy to distinguish your entity, highlighting the commitment to sustainability.

Customized capsules create a unique experience for guests and contribute to the coherence of your brand. Furthermore, **they meet the growing demand from customers for eco-friendly options during their stay.** This choice also demonstrates a general and tangible commitment to responsible business practices and environmental awareness.
