

YOUR PRIVATE LABEL SPECIALIST

YOUR BRAND LOGO

Cavanna Olii

- ◆ **Passion & Expertise:** these are the values on which Sergio Cavanna founded Cavanna Olii more than sixty years ago. Today Sandro, his son, leads the business with a modern and structured company, serving more than 30 countries in the world.
- ◆ **Cavanna Olii has more than fifty years' experience in the production of Private Label items.** Accuracy, flexibility and quality are the main points of strength you can count on, granted by all our team of passionate employees. We offer tailor-made products, according to customers' specifications and guidelines, thanks to the wide range of oils we can supply from many different countries of origin, all of which undergo a rigorous selection process.
- ◆ Cavanna Olii production plant is located on the Casella industrial estate, **30 kilometres from the port of Genoa.** It spreads over a total surface area of 25.500 m², 8.500 m² of which are indoors.
- ◆ **Packaging is carried out on 5 highly-automated lines,** with a production potential of approximately 300,000 litres per day.
- ◆ **We have built long-term relationships with most of our customers,** as we have managed to never disappoint their expectations.
