

Impatto ZERO

our best coffees in **COMPOSTABLE CAPSULES**

compatible with Nespresso* brand machines

*The Nespresso brand is not owned by Caffè Fantino S.a.s. nor of companies connected to it. Caffè Fantino S.a.s. it is not connected in any way to Nespresso.

THE BEST COFFEE FOR YOU AND THE PLANET

Our best coffees, traditional blends and decaffeinated, now available in Nespresso compatible capsules, packaged in **plant-based capsules, 100% compostable**.

The artisanal quality that has distinguished our coffees for more than 60 years is now even more sustainable.

Delicious aromas enclosed in compostable capsules, which can be thrown in the organic trash.

The paper bag and the paper label make this product truly unique and fully recyclable.

All our coffee varieties are available in **bags of 20 capsules** and **tiny boxes of 100 capsules**.

The individual capsules are self-protected.

Choose your espresso Zero impact!

CLASSICA

COFFEE BLEND
70% ARABICA

INTENSITY
●●●●○

ITEM NUMBER
10651

A blend with a unique aroma, the best Italian espresso, rich, full-bodied sweet. With notes of chocolate and toast, it takes us into the most classic of Italian traditions.

INTENSO

COFFEE BLEND
50% ARABICA

INTENSITY
●●●●●
