

BEAUTY line

Our Cotton Plus BEAUTY line, is made up of **high quality cotton wool items, manufactured according to the European Pharmacopoeia and Regulation.**

100% hydro-entangled cotton whose main feature is to make the cotton resistant, tight and lint free. Bleached exclusively with hydrogen peroxide, without any optical bleaches, **hypoallergenic and dermatologically tested.**

In addition to classic items such as rounds, squares and ovals pads or cotton buds, try our **innovative range of pre-cut pads for face and nails care**, united one to the other with a practical hatch, use more than one not separated as needed. Look for **DUAL TEXTURE**: two sides, two functions. The striped side removes makeup and impurities effectively, the smooth side is perfect for completing deep cleansing.

INNOVATIVE RANGE

Innovation in the beauty sector: practical pre-cut pads joined to each other by a handy hatch that allows consumers to choose the size according to their needs. Thanks to the special production process without wastage, production costs are reduced compared to the traditional round pads and we pass on the savings to our customers. Even the environment will benefit from this! Available in three sizes **VISAGE, MAXI VISAGE** and **SUPERMAXI** for your skin and **NAILS** suitable for polish removal.

Alternatively, chose **MULTICOTTON MAXI**, a multi purpose product in a value for money pack.

CLASSIC RANGE

ROUND, SQUARE, OVAL PADS,
traditional **COTTON BUDS** or **MAKE-UP BUDS**
and **COTTON BALLS.**
